**Linda Johnson, Recreation Leader**

The Golden Age Program offers a wide variety of recreational programming geared toward self-sufficient seniors, ages 55 and older, for an annual registration fee of \$5 (for city residents) and \$7 (for non-city residents). Delicious, nutritionally balanced, lunches are served daily to seniors 60 and older (daily contributions accepted and 24 hours advance notice required). Seniors 55-59 may order meals at full price. In addition to daily activities, occasional guest speakers provide a wealth of information. Centers participants also enjoy monthly local bus trips and quarterly out-of-town trips so please call the center of your choice prior to visiting. [Center Permit Application](#)

### **Golden Age Centers are closed weekends and holidays.**
